

Barefoot & Wilson

THIRD GRADE

NEWS

FOR the week of
Dec 8, 2016

UPCOMING

Just a few reminders...

*It is time to check your child's pencil pouch for good pencils with erasers.

*Please be sure to return your child's green Friday Folder EVERY Monday.

***Students should be reading nightly and recording it on their bookmark. Each circle represents 5 minutes read. So if they read 25 minutes one night, they should mark out 5 circles. When all circles are marked, the bookmark is returned and another is sent home.**

***Students should be working on their math facts (multiplication) nightly.**

*Donations of guinea pig shavings and food are welcome.

HOT TOPICS

MATH: We are working hard on solving two - step word problems using addition, subtraction and multiplication.

Science: Do you know what owl pellets are? Well ask your child!

READING: We have started a nonfiction unit. This week and next we are focusing on nonfiction text features. Ask, "What are some nonfiction text features?"

WRITING: We are continuing to work on writing strong opinion pieces. Ask, "What is OREO?" (Opinion, Reason, Evidence, Opinion....It helps us organize our opinion writing.)

IMPORTANT DATES: Multiplication Test Every Thursday!

A note from Mrs. Barefoot & Mrs. Wilson:

Please make sure your child returns their shirt order form for the musical.
