

Barefoot & Wilson

THIRD GRADE

NEWS

FOR the week of
OCTOBER 7th

UPCOMING

Please let us know immediately if you do not have access to a computer for the school or classroom newsletters. Our class newsletter will begin to appear on Mrs. Barefoot's website next week!

The Book Fair will be next week! Our buying time during the day is Thursday. If you want your student to purchase books during the school day, you may send money on Thursday.

HOT TOPICS

MATH:
We are starting on geometric shapes.
Science:
We have seed pods! Ask your child what that means.

READING:
We are working on "asking and answering questions" on nonfiction texts. We are integrating our Social Studies unit of government and communities. Ask your child, "What are the three branches of government?" (judicial, legislative, executive)

WRITING:
We are continuing to work the variety of skills to help develop strong narratives. Ask your child, "What are temporal words (or time/order words)?" (examples: first, then, next, last...)

IMPORTANT REMINDERS: Please send **PROGRESS REPORTS** (from last week) AND **BEHAVIOR REPORTS** back to school signed!

A note from Mrs. Barefoot & Mrs. Wilson:

Thank you for being patient as we schedule conferences. Unfortunately we have limited time during the week to meet, so it will take some time to schedule 44 conferences. We appreciate your understanding and patience. Conferences are scheduled for 20 minutes blocks. Please be sure to arrive on time as we need to stay on schedule.
